FCC Mail Room

Dear FCC,

I'm sending you this petition in hopes of extending my closed captioning exemption. Not much has changed since I first applied. All of the information you received on the original petition is still accurate and current. Movie Show Plus is still a one-man band (me) and the economy here in Detroit is still bad. Advertisers come and go and the show is only on in this market.

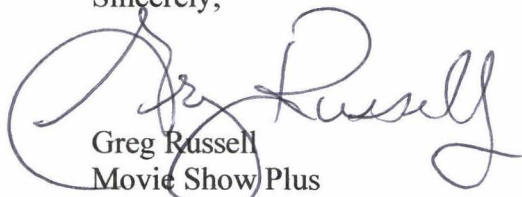

I have a client who is thinking about sponsoring the closed captioning. Unfortunately, they still haven't made their decision and I was at the deadline to respond to your letter. I need to request an extension at this time. I will gladly send you a letter when the sponsor comes thru.

I have looked into closed captioning companies. Their prices are still high for a 21-minute show and closed captioning software prices are still high too. I've noticed with most of the software you usually have to buy three different components to make it all work. All of which are expensive.

I have enclosed copies of the last six months bank statements for Movie Show Plus. I do the show as my side job. I know it doesn't make a lot of money... but... it's still my passion and has a nice following. I hope that our economy in Detroit turns around.

I want to thank you for your time and consideration. I hope that you will continue my closed captioning exemption. I will continue to seek out sponsors for the CC and, as I had mentioned earlier, I will definitely get in contact with you when this is all resolved. Thanks again.

Sincerely,

Greg Russell
